Summary of Legislation: (Amended) This bill allows a unit to use excess Emergency Telephone System Fee funds to purchase, install, and maintain signage containing the name of a highway, street, or road.

Effective Date: July 1, 2002.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: (Revised) This bill allows local units of government that impose Emergency Telephone System Fees to use any funds remaining after providing for the direct costs of the associated with an emergency telephone system for the purchase and maintenance of signs that contain the name of a highway, street, or road. This bill could potentially reduce expenditures from accounts such as the Motor Vehicle Highway Account, the Local Road and Street Account, or other county or municipal funds used for signs if expenditures from those funds are replaced with expenditures from Emergency Telephone System Fee revenue.
